Face a Fury of Enemy Obstacles in a Barbaric Battle for Bonus Points!

When Your Ship Emerges . . . The Saga Begins!

It takes more than mere courage to seize the lost treasure of the Vikings . . . it takes fortitude! To help lead the way, a Viking vessel will anchor and dispatch the first of three heroic warriors eager to take on deadly obstacles lurking in the enemy forest.

The Paths of Glory are Laden with Danger!

Though MISTER VIKING is determined to find the hidden treasure, wrathful creatures lurking in the enemy forest are out to stop him. That's why your warrior is armed with an unlimited supply of arrows. Forage through the terrain and destroy attacking creatures, or hold out for extra armaments worth bonus points supplied from the returning vessel and camouflauged enemy sheds!

A Viking's Job Isn't Easy, But the Rewards Are Worth It!

The journey continues . . . but not without its perils! Your warrior will be faced with even greater dangers. Enemy tanks . . . deadly skulls . . . turbulent tornadoes . . . stampeding dinosaurs will all have to be overcome before reaching the enemy fortress. Use a strategic plan of attack to penetrate . . . raid the treasured golden Viking helmet . . . and be rewarded with a bounty of bonus points!
